Gud udøver ingen afstandstagen eller forskelstagen.

Ingen kan fastsætte hvad der er rigtigt eller forkert overfor Ham.

Han kan gøre alt, fordi Han er i alt og er alt.

Der findes ingen mester over Ham.

Hvis mennesket ønsker at visualisere Gud, så kan han blot se Ham i form af et menneske der på alle måder er ham langt overlegen.

Det siges også, Gud er i form af menneske. Alle hellige skrifter har beskrevet Gud i menneskeform.

Dette betyder ikke at Gud er begrænset til den menneskelige form. Alle former tilhører Ham. Ingen kan sige at Gud har en bestemt form.

Han er tilstede over alt.

God has no distinctions or differences.

No one can stipulate do's and don'ts for Him.

He can do anything, as He is in everything and is everything.

He has no master above Him. If man wants to visualise God, he will see Him only in the form of a human being who is far superior to him in all respects.

It is also said, God is in the form of man.

All the sacred texts have described God as having human form. It does not mean that God is confined to a human form.

All forms are His. No one can say that God has a particular form.
He is present everywhere.
