Mennesker bør vende sig bort fra den verdslige vej ligesom fisk der svømmer mod strømmen i floden.

Dette er vejen til at erkende det Guddommelige. Hvis I tillader jer selv at blive revet med af den verdslige strøm, så venter der jer blot en trist afslutning.

Uanset hvad verden måtte tænke, så vig aldrig fra den spirituelle vej. Når folk beder om frihed, så bør de forstå at frihed betyder enhed med det Guddommelige.

Bliv bevidst om jeres guddommelighed. Så vil verdslige tanker ikke trænge ind i sindet. For at virkeliggøre denne enhed med Gud, bør man messe Herrens navn uafsladeligt.

I må bede om Herrens åbenbaring i jeres hjerter. Der må ikke gives plads til slette tanker og følelser.

Men should turn away from the worldly path like fish which swim against the current in a river.

That is the way to realize the Divine. If you allow yourself to be carried away by the worldly current, you can only meet with a sad end.

Regardless of what the world may think, never swerve from the spiritual path. When people ask for liberation, they should understand that liberation means oneness with the Divine.

Become aware of your divinity. Then worldly thoughts will not enter your mind.

To realize this oneness with God, one has to chant the Lord's name incessantly.

You must pray for the vision of the Lord in your heart. There should be no room for evil thoughts and feelings.
