Alt, hvad du ser, er en afspejling af, hvad der er inde i dig. Hvis du kalder en person dårlig, er det bare det dårlige i dig du afspejler i ham.

Det her har intet at gøre med ham.

Godt og dårligt er refleksioner af dit indre væsen.

Betragt dem aldrig som adskilt fra dig.

Gode tanker er kilden til gode vibrationer.

Hvis dit inderste væsen er fyldt af kærlighed, vil det samme princip om kærligheden finde manifestation i din tale, syn, hørelse og handlinger.

Når du har hellige tanker, vil du blive en guddommelig person.

All that you see is the reflection of what is inside you. If you call a person bad, it is just that the bad in you is reflected in him.

It has got nothing to do with him.

Good and bad are the reflections of your inner being.

Never consider them as separate from you.

Good thoughts are the source of good vibrations.

If your inner being is full of love, the same principle of love will find manifestation in your speech, vision, hearing and actions.

When you have sacred thoughts, you will become a divine person.
